

Game bird Health & Welfare Scheme assured by vets

The Veterinary Medicine Regulations 2013, The Welfare of Farmed Animals Statutory Management Requirements (SMR 13) & Food & Feed Law (SMR 4) require that the administration records must, as a minimum include all vaccines, antibiotics, anthelmintics, anesthetic and pain relief, and in feed & in water medication. It is good practice to record all supplements and complementary treatments as well. Your vet, when prescribing medicines must leave a record which must be recorded in the Veterinary Medicines Administration records. The records must be kept for a minimum of 5 years.
