Veterinary Medicine Regulations 2013, The Welfare of Farmed Animals Statutory Management Requirements (SMR) 13 & Food & Feed Law (SMR) 4 require that the keeper of food producing animals must keep proof of all veterinary medicinal products acquired (and if not purchased documentary evidence of how they were acquired).

Records must be kept of the disposal of any medicines. Advice on routes of disposal should be sought from your vet. The records must be kept for a minimum of 5 years.

It is illegal to sell/pass on unused medicines (or products containing medicines) to anyone else unless you are authorised to supply them.
