VISITOR RECORDS

All Game Farms and Shoots are advised to keep a record of persons who visit and come into contact with eggs/birds/high risk areas. This can help track disease, and is useful to show compliance with best practice and legislation.

Date of visit	Time of arrival	Name	Company	Date of last poultry/game contact	Place of last poultry/game contact	Are you carrying any recording equipment`	Have you suffered from any illness in last 48 hrs	Signed

Trusted Game
Game bird Health & Welfare Scheme assured by vets

All Game Farms and Shoots are advised to keep a record of persons who visit and come into contact with eggs/birds/high risk areas. This can help track disease, and is useful to show compliance with best practice and legislation.
